Re: MB Docket No. 03-15
Television Station WECN(TV)
Naranjito, Puerto Rico
Facility ID 19561

Dear Ms. Dortch:

On behalf of Encuentro Christian Network Corp. (Encuentro), licensee of WECN(TV), Naranjito, Puerto Rico, this letter requests waiver of the August 4, 2005 deadline for replication or maximization in connection with the construction of a checklist facility. WECN(TV) is in the unusual position of being one of a few stations which operates on an analog out-of-core channel (64) and also has been assigned an out-of-core digital allotment (65). Accordingly, it will not be until after the current election of channels for full-time digital operations has been completed that WECN(TV) will be able to find a suitable replacement in-core channel for digital operation. Once that process has been finished, Encuentro will perform all necessary construction to prepare for digital broadcast. Waiver of the August 4, 2005 deadline is this respectfully requested in order to permit Encuentro to obtain an in-core channel and to proceed with construction.

Should any questions arise with respect to this request, please communicate with this office.

Very truly yours,

Richard F. Swift
